EXPERIENCE & LEADERSHIP

East West University Computer Programming Club — Dhaka, Bangladesh
Creative Secretary (Oct 2025 - Present) | Sub-Executive (May 2024 - Oct 2025) — May 2024 - Present

- Leading creative direction, technical initiatives, and coordinating segments for major university tech events.
- Supervised volunteers, managed communication channels, and executed club workshops and competitions.

Utsho Academic & Exam Care — Narayanganj, Bangladesh
E-Learning Coordinator — Oct 2025 - Apr 2026

- Coordinated and managed digital learning platforms and infrastructure to ensure seamless accessibility for students.
- Streamlined online exam operations, cloud hosting parameters, and system architectures to maximize uptime.

FEATURED PROJECTS

EWU ConnectED | Full-Stack University Platform

Tech Stack: React, Node.js, Express, MongoDB

- Developed a comprehensive full-stack platform designed to connect students, streamline communication, and share resources.
- Implemented modern web frameworks to ensure a highly responsive, cross-device user-friendly interface.

DarkSight | Browser Extension

Tech Stack: JavaScript, HTML/CSS, Chrome Extension API

- Created an extension to actively detect and countermeasure manipulative dark UI patterns on e-commerce sites.
- Utilized DOM manipulation and pattern recognition algorithms to protect consumers from deceptive web practices.

Lumiere | Modern E-Commerce Platform

Tech Stack: MERN Stack, Next.js, Tailwind CSS

- Built a scalable e-commerce platform focusing on seamless shopping experiences and secure checkout flows.
- Optimized frontend architecture for fast user response times and clean mobile responsiveness.

ACHIEVEMENTS & CERTIFICATIONS

- Sub-Executive, East West University CSE Fest (2024)
- Executive, Honda Presents GameCon Season 1 (2025), hosted by EWU Computer Programming Club
- Primary School Certificate Scholarship (2013)
- The Scholars Forum Dhaka Scholarship (2013)
- Maruf-Sharmin Smriti Sangstha Scholarship (2015)
